Subject: Fw: Removal of contaminated sediment from a mudflat in the Lyndhurst section of the Passaic River

Hi Matt,

I'm forwarding your message to Rob Law. He can better address your questions.

Thanks,
Stephanie

Subject: Removal of contaminated sediment from a mudflat in the Lyndhurst section of the Passaic River

Hello Stephanie,

I was reading the SOW for the above referenced project and I noticed that one of my companies products was specified (Organoclay RCM). Do you have a list of bidders or plan holders for this project or could you tell me where I could find that information?

Thanks,

Matt Geary

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments

sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
